This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the *Evidence of Coverage* or go online at amerihealthmedicare.com.

This *Summary of Benefits* booklet gives you a summary of what AmeriHealth Medicare Core PPO, AmeriHealth Medicare Enhanced PPO, AmeriHealth Medicare Secure PPO, and AmeriHealth Medicare Ultimate PPO cover and what you pay.

AmeriHealth Medicare Core PPO, AmeriHealth Medicare Enhanced PPO, AmeriHealth Medicare Secure PPO, and AmeriHealth Medicare Ultimate PPO are Medicare Advantage PPO (Preferred Provider Organization) plans. With a PPO plan, members don't have to choose a primary care physician (PCP) and can go to doctors in or out of the plan's network. If members use out-of-network doctors, hospitals, or other health care providers, they will pay more for their services.

If you want to compare our plans with other available Medicare health plans, ask the other plan(s) for their *Summary of Benefits* booklet. Or, use the Medicare Plan Finder at **medicare.gov**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare and You" handbook. View it online at **medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Member Help Team representative at **1-866-569-5190 (TTY/TDD: 711)**.

Understanding the Benefits

- ☐ The *Evidence of Coverage* (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **amerihealthmedicare.com** or call **1-866-569-5190 (TTY/TDD: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2026.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ☐ Effect on Current Coverage. Your current health care coverage will end once your new Medicare coverage starts. For example, if you are in Tricare or a Medicare plan, you will no longer receive benefits from that plan once your new coverage starts.
